Mail To: 0/1 94, Braidholm Road, G46 6DF, Giffnock, East Renfrewshire

Introduction

My background is in finance. More specifically, account management and commercial insurance underwriting, and sales for numerous high-profile clients. I practiced this for a leading British firm, over the course of twenty years. After a maternal career break, I returned to complete my career in insurance, before moving into retail sales to reserve time to support my child. I moved through alike roles, until latterly working as a care practitioner for the elderly.
